We would like to thank all the volunteers for your support. With your help we accomplished a great deal before covid19 stopped us in our tracks: we began work to beautify our campus with 6 new murals, we celebrated the start of the school year and the holidays with festive feasts for our teachers, administrators and staff; hosted 2 book fairs, a fun fall dance for the students, honor roll celebrations and a membership drive contest. Updated the logo, created Friday spirit shirts; we embraced and promoted mindfulness on campus; FALCON CLOSET INITIATIVE, we kicked off fundraising for the much needed restrooms beautification and faculty zen space project. The continuity of these wonderful projects is in your hands.
